Productivity & CRM: Google Workspace, HubSpot, SAP

WORK EXPERIENCE

Business Development | *Neyen Consulting SL*

Aug 2025 – June 2026

- Planned and coordinated end-to-end delivery 20 workshops and 2 executive roundtable discussions, overseeing schedules, logistics, vendor coordination, budget tracking, and stakeholder communications for 500+ participants and speakers from government, state-owned enterprises, private companies, and international organizations.
- Generated 50+ qualified business leads and maintained an 8/10 participant satisfaction score by managing CRM-driven workflows, including structured email invitations, automated reminders, post-event follow-ups, and targeted industry insight campaigns.
- Developed and executed optimized Meta Ads campaigns and social content (Instagram/LinkedIn), achieving a low lead-generation cost of USD 0.47 per form submission and USD 0.11 cost-per-traffic; handled end-to-end creative production, including graphic design, video recaps, and market research reports.

Marketing & Branding Supervisor | *PT Mom & Jo*

Aug 2024 – Sep 2025

- Led creative teams (designers, copywriters, and social media specialists) and managed data-driven marketing campaigns across 21 branches, achieving a ROAS of over 10x on monthly Instagram promotional campaigns.
- Secured over IDR 1 Billion in cash and in-kind sponsorships from 20+ brand partners, with individual collaboration values up to IDR 300+ Million.
- Conceptualized and led the execution of 20+ zero-budget playdate events by coordinating sponsors, vendors, branch teams, and event logistics, generating qualified leads with a 90% conversion rate to sales.

Senior Marketing Executive (BTL Marketing) | *PT Nipsea Paint and Chemicals*

Nippon Paint Indonesia

Jan 2024 – Jul 2024

- Managed BTL marketing strategies and budgets for premium building materials (coatings) across Java, Sumatra, and West Borneo, gaining deep insights into the construction, home improvement, and property development ecosystem.
- Collaborated with local dealers and specifiers (contractors/painters) to execute promotions and incentive programs that boosted overall store sell-in by 7%.
- Spearheaded a pilot loyalty program in Jakarta that scaled across Sumatra, Java, and Kalimantan, driving IDR 34 Billion in total sell-out and 45% sell-out growth across 200 participating stores.
- Collaborated with Malaysia HQ to enhance the CRM system, utilizing customer data insights to ensure cohesive ATL-BTL campaign integration for 2 product series.

Marketing Executive (BTL Marketing) | *PT Nipsea Paint and Chemicals* –

Nippon Paint Indonesia

Aug 2022 – Dec 2023

- Developed, monitored, and drove regional marketing campaigns by coordinating 60+ Team Leaders managing 1,600+ SPG/B to ensure seamless on-ground execution and drive revenue growth.

- Mined and analyzed customer data from 215,000+ painters and homeowners in partnership with Malaysia HQ to support data-driven marketing decisions.
- Collaborated with 100+ KOLs (nano to macro) across TikTok, Instagram, and YouTube within 4 months via barter arrangements, generating 5M+ Creator campaign impressions and building a scalable influencer network for the painting industry.

Commercial Development Program (Management Trainee) | *PT Nipsea Paint and Chemicals – Nippon Paint Indonesia* Mar 2022 – Aug 2022

- Completed a structured management trainee program covering Project Sales (engaging with architects, developers, and interior designers for commercial projects), Dealer Sales, BTL/ATL marketing, and core business processes in the building materials industry.
