PROFESSIONAL SUMMARY

Marketing professional bridging strategy and execution across digital advertising, brand partnerships, and below-the-line activations. Experienced nearly 5 years managing campaigns across diverse markets and industries, with a consistent record of driving lead generation, revenue growth, and brand visibility through data-informed decisions and creative execution.

TOOLS & SKILLS

Digital Marketing: Meta Ads

Design & Content: Canva, CapCut

Productivity & CRM: HubSpot, SAP, Notion

WORK EXPERIENCE

Business Development | *Neyen Consulting SL*

Aug 2025 – Present

- Delivered 20 technical sustainability workshops and 2 executive roundtables within 8 months, engaging 500+ practitioners and senior leaders across government, BUMN, and private sectors.
- Generated 50+ qualified business leads through structured workshop engagement pipelines, maintaining a participant satisfaction score of 8/10.
- Spearheaded partnerships with government ministries and state-owned enterprises (BUMN) to align corporate sustainability programs with national energy transition and decarbonization priorities.
- Managed end-to-end stakeholder engagement pipelines—from initial outreach to post-event follow-up—supporting business development across multiple concurrent initiatives; coordinated with European and American stakeholders entirely in English.
- Developed and executed Meta Ads campaigns to promote sustainability workshops and executive events, covering flyer design, educational content production, and post-event recap videos; managed audience targeting, campaign optimization, and creative execution alongside the production of learning materials, social content (Instagram & LinkedIn), and market research reports.
- Achieved a lead generation cost as low as USD 0.47 per form submission and USD 0.11 cost-per-traffic through optimized Meta Ads campaigns and targeted workshop promotion strategies.

Marketing & Branding Supervisor | *PT Mom & Jo*

Aug 2024 – Sep 2025

- Secured over IDR 1 Billion in cash and in-kind sponsorships from 20+ brand partners, with individual collaboration value reaching IDR 300 Million+.
- Conceptualized and executed 20+ zero-budget playdate events that achieved a 90% direct sales conversion rate from generated leads.
- Led cross-functional teams (designers, copywriters) to develop and deliver integrated marketing campaigns across 21 branches with diverse local market conditions.
- Developed data-driven approaches to campaign optimization across online and offline channels, and negotiated strategic brand partnerships to maximize co-marketing value.

Senior Marketing Executive (BTL Marketing) | *PT Nipsea Paint and Chemicals – Nippon Paint*

Indonesia

Jan 2024 – Jul 2024

- Spearheaded a pilot loyalty program in Jakarta that scaled across Sumatra, Java, and Kalimantan, driving IDR 34 Billion in total sell-out across 200 participating stores.
- Boosted overall store sell-in by 7% and achieved 45% sell-out growth through targeted BTL strategies.

- Developed and managed BTL marketing strategies for Java, Sumatra, and West Borneo—including promotions, events, and incentive programs—with full budget accountability.
- Collaborated with Malaysia HQ to develop and enhance the CRM system, integrating customer data insights into strategic recommendations.
- Ensured cohesive ATL-BTL integration for 2 product series, delivering unified campaigns with consistent brand positioning.

Marketing Executive (BTL Marketing) | *PT Nipsea Paint and Chemicals – Nippon Paint Indonesia* Aug 2022 – Dec 2023

- Collaborated with 100+ KOLs (nano to macro) across TikTok, Instagram, and YouTube within 4 months via barter arrangements, generating 5M+ Creator campaign impressions and building a scalable influencer network for the painting industry.
- Coordinated 60+ Team Leaders overseeing 1,600+ SPG/B to drive revenue growth across regional sales teams.
- Mined and analyzed customer data from 215,000+ painters and homeowners in partnership with Malaysia HQ to support data-driven marketing decisions.

Commercial Development Program (Management Trainee) | *PT Nipsea Paint and Chemicals – Nippon Paint Indonesia* Mar 2022 – Aug 2022

- Completed a structured management trainee program covering Project Sales, Dealer Sales, BTL/ATL marketing, public relations, branding, and core business processes.
